Dear Mr. Chellman:

This is to acknowledge receipt of your correspondence dated September 22, 2008 which includes a letter referenced Forest Hill Road consultation along with your curriculum vitae.

While the Board of Commissioners appreciates your offer to come to Bibb County and discuss engineering options for Forest Hill Road, I would be remiss if I did not inform you that the Georgia Department of Transportation has asked us to suspend any work on this project. GDOT is in the process of prioritizing their road projects to determine their individual importance.

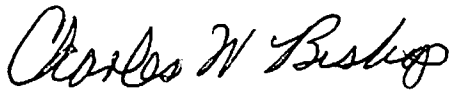

So, in the spirit of cooperation, I called a press conference on September 19, 2008 to announce that Bibb County would heed the advice of GDOT and suspend the project until their prioritization process is complete which is slated for March 2009.

If the project is put back on the list, the Board of Commissioners will gladly extend an invitation for you to come to Bibb County and present your ideas regarding the reconstruction of Forest Hill Road.

In the meantime, if you have any questions or would like to contact me, I can be reached at (478) 621-6020.

Sincerely,

A handwritten signature in cursive script that reads "Charles W. Bishop".

Charles W. Bishop, Chairman
